

## Tohono O'odham Community College

### Certificate in Community and Public Health

The Certificate in Community and Public Health is designed to meet the immediate workforce needs through direct employment. The certificate is a combination of cultural courses, community and public health courses, social work courses along with one course in each math, science, and writing.

### Sample Path Progression

If you are a part time student, take half of the classes each semester (fall 1 and spring 1). The following year, take the second half of the classes (fall 1 again and spring 1 again) until you complete the suggested sequence.
