Dear Trustees,

We're sometimes running into difficulties with too few check signers. (Our system that allows automated check signing is not working though there are folks working on it including the vendor.) Besides Dr. Zepeda, current check signers are myself, Sylvia Hendricks, and Mario Montes-Helu. Checks require two signatures and frequently we are hard pressed to find two when we need them. I'm proposing one additional check signer: Dean Yolanda Pacheco. A resolution of support has to be provided to Bank of America before we can proceed. If you agree, I'd like to do this via email if possible.

Thank you and sincerely,

Paul Robertson, Ph.D. President Tohono O'odham Community College

Hi Paul.

I'm fine with this proposal to include Dean Yolanda Pacheco as a signer.

S-ke:g si'alig, Secretary Parvello,

I noticed that Dr. Robertson sent the attached email to your personal email address.

It is my hope you might respond to the president's communication in a timely manner,

Thank you for your consideration.

Have a great day!

Good morning, Paul,

I did contact Mary, Jonas & Treena via telephone to bring their attention to your email.

Mary Bliss would like for you to give her a call: (520) 501-4730 should she be unable to access her tocc email.

Jonas Robles will most likely contact you via email or phone.

I forwarded the email to Treena Parvello's work email and cc'd you in hopes she would reply in a timely manner.

Should you have any questions or may I be of further assistance, please let me know.

Get well soon!

Evan

Thanks Evan. Jonas called just now and registered his approval. That plus Ofelia's means we need only one more and then a resolution that we can use to give to Joann as she will have to provide it to Bank of America.

Best.

Good morning, Paul,

I just received a call from Mary Bliss.

Per our conversation yesterday, she was wondering if you were going to give her a call regarding this matter & for the record.

Her number is: (520) 501-4730

I did mention to her that three Trustees did reply in favor of the proposal.

Thank you,

TOHONO O'ODHAM COMMUNITY COLLEGE

TO: BOARD OF TRUSTEES

THRU: ADMINISTRATORS TEAM

FROM: EDUCATION DIVISION

SUBJECT: Associate of Arts in Pre-Professional Nursing

CC: PAUL ROBERTSON, PRESIDENT

<u>Background</u>: The AA in Pre-Professional Nursing was included in the 2023-2024 catalog through a Presidential approval. However, when looking at setting up the approval date in Jenzabar, it became evident that the program had not gone through the curriculum process. As this program comes from the Associate of Arts in Life Science, it was decided to propose it as a program change. All documentation is enclosed.

<u>Justification</u>: The original Associate of Arts in Life Sciences had three emphases: Pre-Professional Nursing, Community Public Health, and Environmental. The problem was that students could not quickly identify any of the separate emphases as they were under the Life Science degree. Separating the emphases into distinct programs would provide a clearer view to students looking to go into a health-related program. The program was presented to the Curriculum Committee and the Himdag Committee and it was approved by both of them.

Action Requested: Request approval of the new Associate of Arts in Pre-Professional Nursing program.

Recommendation: President requests approval.

TOHONO O'ODHAM KEKEL HA-MAŞCAMAKUD

TO: FACULTY, HIMDAG COMMITTEE, AND ADMINSTRATION

FROM: TERESA NEWBRRY, PH.D.

SUBJECT: PROGRAM CHANGE REQUEST FOR AA PRE-PROFESSIONAL NURSING

DATE: 4/23/2024

CC: DEAN OF ACADEMICS

APPROVAL CURRICULUM COMMITTEE: 4/26/2024

APPROVAL HIMDAG COMMITTEE: 4/26/2024

1. Name of Initiator(s): Teresa Newberry and Laura Sujo-Montes

- 2. Name of the degree or certificate: (indicate whether AA, AS, AAS, etc.). *AA Pre-Professional Nursing*
- 3. What are the changes that are being requested for this program?
 - a. Change the AA Life Science degree with the Pre-professional Nursing Option to a stand-alone degree-- AA Pre-Professional Nursing
 - b. Change the courses in this concentration from "recommended electives" to "required
 - c. Remove BIO 160N as an elective
 - d. Add the following courses: BIO 201N Anatomy and Physiology I, BIO 202N Anatomy and Physiology II, and BIO 205 Microbiology
 - e. Require THO 102 in the Humanities section of the AGEC-A to meet 1-year language requirement
 - f. Change PSY 101 and PSY 240 from suggested courses to required courses in the AGEC-A
 - g. Change CIP code to the following:

CIP Code: 51.1105 Title: Pre-Nursing Studies.

Definition: A program that prepares individuals for admission to a professional program in Nursing.

4. Statement of purpose for the program change. Address how the changes **improve student learning and student outcomes**.

This updated program will make the "recommended" Biology, Chemistry, and Math courses "required" and add BIO 201N, BIO 202N, and BIO 205 to ensure that the students will have the necessary science pre-requisites for nursing programs. The THO 102 Language has been added as an AGEC A requirement in order to fulfill the two-semester language requirement. These changes will enable students to meet the course pre-requisites for the University of Arizona's four-year Bachelor's of Nursing degree program.

5. Describe how the proposed change aligns with the College's Mission and Vision.

Modifying the A.A. Life Science degree with the option in Pre-Professional Nursing, to a more rigorous, stand-alone A.A. Pre-professional Nursing degree program will broaden TOCC's technology core enabling students and the broader community to meet current and future community health challenges. A workforce and population with strong training in the community and public health is vital to the Nation's participation in local, state, national, and global communities. In addition, an emphasis on health promotion and advocacy will build capacity for participation in multi-sectoral health and environmental initiatives.

6. Describe how the proposed change supports the O'odham Himdag.

The A.A. Pre-professional degree program will be appropriately integrated into Tohono O'odham Himdag, thus, strengthening the Himdag and teaching health and science courses from a holistic point of view. This degree program can contribute to community well-being thus upholding and strengthening the core value of T-apedag—our well-being.

- 7. Describe how the proposed change impacts other programs and/or certificates. *There will be no impact on other degree programs.*
- 8. Describe how the proposed change addresses employment needs of students.

A **degree in Pre-nursing** equips students with the knowledge and skills to address critical health challenges at a broader level. There is a great need for nurses especially in rural, underserved communities.

9. What instructional staff will this change require? (Will the College have to hire additional persons, provide more logistical support, or other resources?).

Since BIO 127N Human Nutrition, BIO 181N Unity of Life I, CHM 151N General Chemistry I, CHM 152N General Chemistry II, and MAT 225 Basic Statistics, are "required" rather than "recommended", we need to continue to offer them regularly. With the addition of BIO 201N Anatomy and Physiology I, BIO 202N Anatomy and Physiology II, and BIO 205 Microbiology, an additional faculty member in Biology faculty member is requested. This

request is under review by administration. Students will also need support for transition to the B.S. in Nursing, so a transition coordinator with knowledge in this area is also recommended.

10. List the Program Level Outcomes and how they are impacted by the proposed changes.

The program-level outcomes are modified to address knowledge and skills specific to a pre-nursing program as follows:

- 1. Demonstrate foundational scientific knowledge, vocabulary, and skills appropriate for students seeking positions in the healthcare field.
- 2. Apply the scientific method to develop procedures to study questions and analyze data that typically arise within scientific fields of study.
- 3. Identify a community health issue and propose a culturally appropriate solution that incorporates cultural core values.
- 4. Communicate clearly and accurately in both written and oral form about a contemporary scientific issue and argue cogently from evidence to make informed judgments.
- 1. Complete Appendix A to provide the original and the proposed program of study.
- 2. Complete Appendix B (Curriculum Map) with the proposed changes.
- 3. Summary of actions taken:
- a) Date submitted to Academic Dean and Curriculum Committee Chair by Initiator:
- b) If returned to initiator by Dean/Curriculum Chair, indicate date returned:
- c) If sent back to Dean/Curriculum Chair per bullet above, indicate date:
- d) Date and result of Curriculum Council Vote:
- e) Date submitted to President by Dean:
- f) Date and outcome of review by administration: Approved

- g) Date and outcome of review by Board of Trustees:
- 4. Date returned by President to Curriculum Chair and Dean:

APPROVED HIMDAG COMMITTEE: 4/5/2024

1. Name of Initiator(s): Teresa Newberry and Laura Sujo-Montes

- 2. Name of the degree or certificate: (indicate whether AA, AS, AAS, etc.). AA Life Science
- 3. What are the changes that are being requested for this program?
 - a. Change the recommended courses in the Community & Public Health Option to required
 - b. Remove BIO 160N & CHM 130N from the list of recommended courses
 - c. Add THO 102 as a required course
 - d. Remove the Environmental Option
 - e. Rename the program to Associate of Arts in Community and Public Health.
 - f. Change CIP code to the following: Proposed CIP number and description

Title: Community Health and Preventive Medicine. 51.2208

Definition: A program that prepares public health specialists to plan and manage health services in local community settings, including the coordination of related support services, government agencies, and private resources. Includes instruction in public health, community health services and delivery, health behavior and cultural factors, local government operations, human services, health communication and promotion, health services administration in local settings, environmental health, preventive and comparative medicine,

epidemiology, biostatistics, family and community health, and applicable law and regulations.

4. Statement of purpose for the program change. Address how the changes **improve student learning and student outcomes**.

This updated program will make the "recommended" Biology, Chemistry, Math, and Community and Public Health courses "required". The THO 102 Language has been added as a core course in order to fulfill the two-semester language requirement. These changes will enable students to enroll in the University of Arizona's four-year Public Health program as juniors.

The Environmental option does not adequately prepare students for a transfer into environmentally-related degree program. Its removal will direct students with an interest in environmental careers to the more rigorous A.S. Life Science degree which includes options in Environmental Science & Natural Resources.

5. Describe how the proposed change aligns with the College's Mission and Vision.

Modifying the A.A. Life Science degree with the option in Community and Public Health, to a more rigorous, stand-alone A.A. in Community and Public Health degree program will broaden TOCC's technology core enabling students and the broader community to meet current and future community health challenges. The A.A. Community and Public Health degree program will be appropriately integrated into Tohono O'odham Himdag, thus, strengthening the Himdag and teaching health and science courses from a holistic point of view. This degree program can contribute to community well-being thus upholding and strengthening the core value of T-apedag—our well-being.

7. Describe how the proposed change impacts other programs and/or certificates.

There will be no impact on other degree programs.

8. Describe how the proposed change addresses employment needs of students.

A degree in community and public health equips students with the knowledge and skills to address critical health challenges at a broader level. Public health is a robust and growing field that can lead to career opportunities across a variety of sectors such as federal, state and local governments, private corporations, and non-governmental organizations.

- 9. What instructional staff will this change require? (Will the College have to hire additional persons, provide more logistical support, or other resources?).
 - Since BIO 127N Human Anatomy and Physiology, BIO 181N Unity of Life I, CHM 151N General Chemistry I, MAT 225 Basic Statistics, THO 102 Elementary Tohono O'odham II, and the three CPH courses are "required" rather than "recommended", we need offer them regularly. We also need to ensure that the electives of either CHM 152N General Chemistry II and BIO 182N Unity of Life II are offered regularly as well.
- 10. List the Program Level Outcomes and how they are impacted by the proposed changes.

 The program-level outcomes are modified to address knowledge and skills specific to community and public health as follows:
 - 1. Demonstrate foundational scientific knowledge, vocabulary, and skills appropriate for students seeking careers in community and public health
 - 2. Identify community public health issues and propose a culturally appropriate solution that incorporates cultural core values.
 - 3. Compare the organization, structure, and function of healthcare, public health, and regulatory systems at local, tribal, and national levels.
 - 4. Discuss how structural bias, social inequities, and racism impact health and create challenges in achieving equity.

TOHONO O'ODHAM COMMUNITY COLLEGE

TO: BOARD OF TRUSTEES

THRU: ADMINISTRATORS TEAM

FROM: EDUCATION DIVISION

SUBJECT: Certificate in Community Public Health

CC: PAUL ROBERTSON, PRESIDENT

DATE: MAY 9, 2024

Background: In conversation and meetings with health professionals both at the nation and at the county level, it was discovered that there is a sizable demand for Community Public Health workers. Hence, it was decided to create a certificate program as an entry level credential or as a specialized credential for professionals who hold other degrees. A proposed curriculum for a certificate in Community Public Health was presented to Ashley Jackson, Director Workforce Development, and to ReCharde Johnson, Coordinator of Workforce Development of the Pima County Health Department. They liked the combination of courses and are hoping that we offer the program so they can enroll their personnel. The Certificate proposal is inclosed.

<u>Justification</u>: There is a need for an entry-level credential into Community Public Health or to a specialization that allow professionals with other degrees to work in Community Public Health. A certificate is a good way to meet both needs. The program was presented to the Curriculum Committee and the Himdag Committee and it was approved by both of them.

<u>Action Requested:</u> Request approval of the new Certificate in Community Public Health program.

Recommendation: President requests approval.

SUBJECT: NEW CERTIFICATE IN COMMUNITY AND PUBLIC HEALTH

DATE: 3/25/2024

cc: Dean of academics

APPROVED CURRICULUM COMMITTEE: 4/5/2024

APPROVED HIMDAG COMMITTEE: 4/5/2024

1. Name of Initiator(s): Laura Sujo-Montes, Teresa Newberry

2. Name of proposed degree or certificate: (indicate whether AA, AS, AAS, etc.).

Certificate in Community and Public Health

3. Proposed CIP number and description

Title: Community Health and Preventive Medicine. 51.2208

Definition: A program that prepares public health specialists to plan and manage health services in local community settings, including the coordination of related support services, government agencies, and private resources. Includes instruction in public health, community health services and delivery, health behavior and cultural factors, local government operations, human services, health communication and promotion, health services administration in local settings, environmental health, preventive and comparative medicine, epidemiology, biostatistics, family and community health, and applicable law and regulations.

4. Description of proposed degree or certificate.

The Certificate in Community and Public Heath is a 33 credit hour degree for direct employment. The certificate is a combination of cultural courses, community and public health courses, social work courses along with 1 course each in math, science, and writing.

5. Statement of purpose for the new program or certificate.

The Certificate in Public Health is designed to meet the workforce needs in Community and Public Health.

- 6. List three to six Program Level Outcomes for the proposed degree or certificate and describe how each of those outcomes can be measured. (complete curriculum map in Attachment B)
 - 1. Compare the organization, structure, and function of healthcare, public health, and regulatory systems at local, tribal, and national levels.
 - 2. Discuss how structural bias, social inequities, and racism impact health and create challenges in achieving equity.
 - 3. Communicate culturally informed public health content effectively, both in writing and in oral presentations.
- 7. Describe how the proposed degree or certificate aligns with the College's Mission and Vision. The Certificate in Community and Public Health degree program will broaden TOCC's technology core enabling students and the broader community to meet current and future community health challenges. A workforce and population with strong training in the community and public health is vital to the Nation's participation in local, state, national, and global communities. In addition, an emphasis on health promotion and advocacy will build capacity for participation in multi-sectoral health and environmental initiatives.
- 8. Describe how the proposed program supports the O'odham Himdag.

 The Certificate in Community and Public Health degree program will be appropriately integrated into Tohono O'odham Himdag, thus, strengthening the Himdag and teaching health and science courses from a holistic point of view. This new degree program can contribute to community well-being thus upholding and strengthening the core value of T-apedag—our well-being.
- 9. Describe how the proposed program addresses employment needs of students.

 A degree in community and public health equips students with the knowledge and skills to address critical health challenges at a broader level. Public health is a robust and growing field that can lead to career opportunities across a variety of sectors such as federal, state and local governments, private corporations, and non-governmental organizations.
- 10. (Section I. General Education). If a degree, which AGEC will be used? If certificate which general education classes will be used? (note: THO 101 and HIS 122 must be included in all degrees and certificates as part of general education). *N/A*
- 11. What are the core class requirements (Section II)? (Please include as attachment of course descriptions with learning outcomes for each course.) See Appendix A; no new courses
- 12. (Section III) How many electives will be allowed for this degree and what are the boundaries for selecting electives (ex. Degree in education may require that all elective be an EDU class)? No electives

Using answers to questions 7, 8, and 9 complete the Program of Study in Attachment A

- 13. If this is a degree and the degree exceeds 60 credits, what is the justification? N/A
- 14. How will the proposed degree or certificate link to other degrees or certificates in the area of concentration? What degree of overlap will there be? What kind of student interest is expected in terms of student numbers and how did you arrive at that estimate? If a student wishes to continue into the A.A. in Community and Public Health this Certificate would provide a good foundation.
- 15. What instructional staff will this program require? (Will the College have to hire additional persons, provide more logistical support, or other resources?). Ideally, the college will hire a faculty member with expertise in Community and Public Health but since there are only 8 credits of Community and Public Health, this would need to be a split position or an interdisciplinary faculty position. We currently have a strong pool of adjuncts teaching these courses..

TOHONO O'ODHAM COMMUNITY COLLEGE

TO: BOARD OF TRUSTEES

THRU: DR. PAUL ROBERTSON, PRESIDENT

FROM: JAY JUAN, CHIEF OF OPERATIONS

SUBJECT: POLICY FOR KEYS/ACCESS CARDS

CC:

<u>Background:</u> Updating the door locking and securing system for the College and providing a policy to govern.

<u>Justification</u>: This policy provides a detailed outline on who should have access to College facilities and how that process will be managed. The purpose is to provide the most secure environment for students, faculty, and staff.

Action Requested: Review and approval as College policy for Keys/Access Cards.

Recommendation: Approval

PURPOSE

To protect the property and privacy of the College, and of individuals assigned to use College facilities, by limiting access to such owned or leased facilities.

POLICY

- **A.** It is the policy of the Tohono O'odham community College to issue building and room keys/access cards to faculty, staff, resident students, and persons or organizations with contractual agreements with the College.
- **B.** All keys/access cards are the property of the College and must be returned upon termination of employment. Obsolete or unneeded keys must be returned to the Operations/Facilities department.
- **C.** Employees and resident students will be issued a key/access card at the lowest level in the locking system hierarchy that is necessary to provide the required access.
- **D.** This policy and its enforcement are the responsibility of the Operations/Facilities department and are implemented through the appropriate department administrators (President, Deans, or Directors). The Operations/Facilities department will maintain systematic and effective control of all keys/access cards for rooms and/or buildings primarily under the control and jurisdiction of the College.
- **E.** The Operations/Facilities department is responsible for issuing and tracking keys/access cards and maintaining accurate records. Keys/access cards are issued in the strict trust that proper measures will be taken to ensure their safekeeping. Loss of keys/access cards can result in great financial loss to the College and expose College community members to unnecessary risk.

- **F.** If an individual loses a key/access card or it is stolen, the individual must immediately report this to the Operations/Facilities department and notify their supervisor/administrators (President, Deans, or Directors). Resident students must notify the Residence Life Coordinator.
- **G.** If it becomes necessary to recore a building or an area within a building because of lost or stolen keys/access cards, the departments responsible for the lost or stolen keys/access cards may be charged costs for new cores and issuance of new keys/access cards.
- **H.** The Operations/Facilities department is the authorized agent for installation, maintenance, and control of all locks and keys/access cards for the College buildings. This responsibility includes design of lock systems, maintenance of core, keys/access cards and records.
- I. It is a violation of College policy for any individual to duplicate any key/access card issued by the College. Only the Operations/Facilities department is authorized to approve duplication of keys/access cards. All duplicates must be made and recorded in the Operations/Facilities department.
- **J.** Whenever possible, the key/access card policy for leased facilities operated by the College will be the same as that of College owned facilities.

Procedures

- 1. Keys/access cards will be issued to College employees upon request and approval of the appropriate administrators (President, Deans, or Directors). Resident students will be issued a key/access card upon the request and approval by the Student Life Coordinator. The individual to whom the key/access card is issued will be held responsible and accountable for said key/access card.
- **2.** Duplication of a key/access card, or the possession of a duplicate key/access card, will result in disciplinary actions.
- **3.** Loss or misuse of a key/access card may result in disciplinary actions up to and including discharge.

1.	Annual Report (AR) for FY 2023	Presented Annual Report to GuVo, Pisinemo, HRDC.	Report was well received. Very positive feedback from community and from HRDC members. Chukut Kuk scheduled for May 4.
2.	Audit	Participated in presentation of audit by KLA to the HRDC. Reviewed and solicited comments re. an Audit proposal from Windes	Windes' is in California. Audit experience including with U. Cal. Fullerton, University of San Francisco, etc. Review by YPTC consultant is positive. Need to secure auditor. Should move ahead with Windes.
3.	Presidential transition.	Preparing to leave TOCC by following up on items including audit, insurance forms, and District meetings.	Looking forward to the advent of the next TOCC President.
4.	Human Resources	Illness along with departure of HR Director has hampered the operation but people are addressing priorities.	Important HR tasks are pressing on current staff. Several applicants are in the queue. President recommends waiting until new President is on board to hire.
5.	San Carlos Apache College site	Two months ago SCAC presented to the BOT concerning their progress at separating from TOCC.	Progress is reportedly taking place. There is a concern about the timeline SCAC predicts: a 7 year horizon was mentioned – That needs to be revisited very soon.
6.	Construction	After BOT approval of the combination gymnasium/student lounge ESB commenced survey work at end of April.	Horizon for completion of 20,000+ square foot building: May 2026.
7.	Phoenix Center Move	Had legal review sublease contract with Phoenix Indian Center for new site at 4040 N. Central Avenue, Phoenix. Collaborated with IT/PHX Director on extending lease for current site until end of May due to overrun on time for rehab of new site.	Logistics are in order for the transition. Director is advertising the move. Sustainability has worked with IT and Aaron Bates has worked with the PHX Director and PIC. Things should be in order and occupancy of new site should take place NLT June 1, 2024.

8. Attorney Representation	BOT approved continuing relationship with Leonika Charging and her staff under the new company that will be headquartered in Phoenix: Cedar Tree Native Law will represent TOCC.	The transition to Cedar Tree has been seamless.
9. Reports to HLC/IPEDS	Higher Learning Commission reporting and IPEDS reporting: Completed portions of each on timely basis.	Reporting requirements have been met for now.
10. "Tohono O'odham Community College Development LLC"	TOCCD LLC was still listed as active by Arizona Corporations Commission and was mentioned in TOCC's FY 2023 audit. HRDC noted this would likely be a discussion item when Audit is presented to the TOLC in June.	Delivered required paperwork and fee (\$70) to Az Corporations Commission on April 30. Anticipate receipt of confirmation of dissolution of the LLC NLT May 8. That paperwork plus TOCC legal's evaluation of LLC will be forwarded to HRDC NLT May 15 or sooner.

Carnegie Math Pathways	Visit	We received the visit of two WestEd representatives that have been working with TOCC faculty in getting up to speed to offer Carnegie Math Pathways, Quantway College, to meet the basic math requirement. With the AGEC redesign, a quantitative reasoning course will be required. The Quantway College meets the requirements for such a quantitative reasoning course, so we are a little ahead of the game by implementing this course.
Faculty	Seven Generations Knowledge Grant	We received a visit from a faculty from NAU, Dr. Kitcka Petrova, as part of the Seven Generation Knowledge Grant. Drs. Michele Rountree and Curtis Peterson traveled on separate occasions to NAU to present on their selected topics. This exchange enriches the experiences of faculties at both universities.
AZ Transfer Summit	Good representation from TOCC	Several key personnel from TOCC: Chandra Claw, Gloria Benavidez, two advisors (Christina Coffman and Grace Salcido), Julie McIntyre (curriculum specialist), Dr. Michele Rountree (social work instructor) and myself attended the AZ Transfer Summit. The purpose was to better understand the system, for those new to TOCC, and to learn more about the upcoming coming changes to the AGEC in the fall 2026

Board of Trustees Report Dean for Sustainability Mario Montes-Helu, Ph.D.

Key Issues/Items Addressed in April 2024

Issues/Items	Discussion/ Situation	Summary/Resolution
Workforce and Community Development (WCD)	Tohono Kosin	Tohono Kosin personnel continue providing lunch to events and meetings taking place at Wiṣag Koṣ. They provided the food for the horseshoeing training participants during the last 7 weeks. We still have the Manager position posted for the Kosin, but no applicants yet.
	GED program Dollar General Grant	The AICF grant (Dollar General) that supports the GED program is working on the financial and progress report that is due at the end of this year's cycle. The team is working with the Sponsored Programs Office to complete the report.
National Telecommunications Information Administration (NTIA) Grant	Computer training	The grant continues working with the Nation's Districts. We started with San Xavier and we are making progress with Sif Oidag district to start the training there as soon as possible.
IT Department	Jenzabar One testing phase deployment and IT issues	We still have some issues to resolve after the upgrade to Jezabar One. Issues with the online application have been addressed and resolved. The IT team is working with moving the computer and AV equipment (video smart boards) to the new S-Ki:kig Maṣcama Ki: center. We also started working with Jenzabar's support to make an assessment of the TOCC personnel needs and create a development plan for the college. That will include a visit to TOCC where Jenzabar representatives will work with the key users and understand their needs on knowledge of the system. We have been working with Jenzabar addressing the Multi-Factor Authentication (MFA). It seems we are the first college ever to address MFA for the Jenzabar One system and the process is still in development.

Land Grant Office of Sustainability Horseshoeing training	The Horseshoeing training is ending on May 3. There is going to be a recognition of the participants at the Tohono Kosin. The 7 participants will get the Horseshoeing Certificate and the tools for them to be ready to have a business in horseshoeing in the Nation. Please check the video about the training here: https://youtu.be/_J5FQYizB1E?si=8ibAEOUo6ITSmjb

Key Issues/Items addressed in 2024 April	
Issues/Items	Actions/Assessment
Director of Student Life	Just a few Highlights for the month for April 2024:
Monthly Highlights	➤ The month of April was filled with again meetings, District presentations and preparations for the ending of the 2024 Spring Session.
	 ➤ The Presidential Search and Screening Committee continues to meet on a weekly basis, on Wednesday from 9 am – 12 pm. And as we get closer to our current president's departure we continue work on filling the position as reported last month, there were 2 interviews days conducted by the committee which resulted in 2 top candidates. Working with the HR Department there were 2 dates scheduled for the 2 top candidates visit, which were: ■ Monday 4/15/2024 ■ Friday 4/26/2024 The HR Department will continue to update the Board on the progress and working with the Board and Committee Co-Chairs on next steps.
	 ➤ The following are extra meetings and events I attended during the month of April: San Xavier District Presentation- 4/2/2024 TOCC Board of Trustees Meeting- 4/11/2024 Dual Enrollment Planning Session- 4/12/2024 TOCC Spring Community Gathering- 4/18/2024 Gu-Vo District Presentation- 4/20/2024 Mandatory Security Staff Meeting- 4/26/2024 HRDC Meeting- 4/29/2024 Meeting with the Residence Program- Once a week (Updates) Quick highlights on a couple of the extra meetings:

	 Conducted a Mandatory Security Meeting as we prepare for the TOCC Commencement and Reception. Security was updated by Dean Yolanda Pacheco on requesting for them to again oversee the parking at the Commencement at BHS Fine arts Building and the Reception here on the S-cuk Du'ag Campus. Along with updates from the Residence Program on Move out dates for the dorm students along with Move-in timeline for the 2024 Summer Session. Residence Life Coordinator Luke Vavages continues to work remotely in assisting with entering requisitions, creating flyers for the Residence Program for recruiting students for the 2024 Summer Session and 2024 Fall Session, and working on updating the Residence Life Website page. Our Goal is to fill up the dorms for the 2024 Fall Session.
	Himdag Meetings, etc. I also continue to meet and work with the Food Program, Security, the Wellness/Athletic Program and the Residence Life staff on projects they are working on, making sure they have all the resources they need to complete
Food Program	Just a couple of highlights in regards to the Food Program:
Information	The Food Program continues to provide delicious and healthy meals for Breakfast, Lunch, and Dinner for dorm students as all positions are filled and they also provide excellent service. They also continue to provide healthy snacks for students and staff
	• Through the work the Food Program does working with departments in providing meals for events, meetings and community events. They worked with providing meals for the 2 President Candidate Visits along with assisting with serving and providing Desert for the TOCC Spring Community Gathering along with setting up an information booth for the event, giving out food samples. They did a fantastic job!
Community relations and outside college contacts	All areas of Student Life as well as the Athletic/Wellness Program have been collaborating with other programs on and off the nation and within the TOCC departments, as you will read in this report.

Anne Miguel & Luke Vavages- Residence Life Coordinators Key Issues/Items addressed in 2024 April

Issues/Items	Actions/Assessment
Current Residents	 22 students (14 women and 8 men) in the dorms Several students visited ASU Labriola Center in Tempe AZ 2 students visited Institute of American Indian Arts (IAIA) in Albuquerque, New Mexico Several students have applied to attend A Students Journey, which will be held in July to August.

	 Applications for Summer and Fall are being accepted and are being processed.
Preparation of physical structures	 Minor repairs continue to be worked on. Several air conditioners went down, Operations were notified and brought the portable air conditioners for the students to use. Student landscapers are removing the weeds and cleaning up the area during the early morning hours Worked with Operations on scheduling a deep cleaning in dorms, which includes continued work on floors in the common areas of the dorms and Residence Coordinator's office. Locks on the doors to dorms were upgraded to electronic locks. Filters were changed in all the dorms and offices. A new schedule for the filters will be every 6 months instead of every 3 months.
Alarm System	- Alarm system needs repair to stop the constant beeping. This is an ongoing project request with Operations.
Residence Life Coordinator position	 Residence Life Coordinator and Director continue to meet regularly to update applications, concerns from students, staff and others. Residence Coordinator Luke Vavages returned to work on April 1, 2024 working remotely. I met with Mr. Vavages in person and by phone to provide him with updates on projects, along with getting his input on various projects including the Residence Life FY25 budget. Residence Life Coordinator and Residence students participated in the TOCC Spring Fling on April 18. Planned with assistance from Student Service a final event, a Cookout for the resident students. Students were allowed 2 guests for the cookout. Met with new Maintenance Supervisor and updated her on various projects that are in progress and the plan for summer breaks. Residence Life Coordinator and the Resident Assistants met with the new Student Success Coordinator. The Student Success Coordinator assisted with the planning of the end of year cookout, and also tutoring one of the residence student. Attended Security meeting to update them on the Resident Move out dates and times at the end of the 2024 Spring Session along with discussing and updating them regarding a non-resident student being required to check in with the Residence Life Coordinator when visiting the dorms. Continued to work with the kitchen staff, on number of students for meals and students with special diets.
Resident Assistants (RA)	 RAs have been very busy with their dorms, classes, final examinations, planning the cookout and preparing for the move out date from campus. One RA attended the Cleansing with the Makai on April 26, 2024. She felt the cleansing was helpful and beneficial to her and other students. The RAs have done a wonderful job this past year, attending classes, maintaining good grades, participating in events when asked, assisting students who need some guidance, or tutoring.
