Superintendent: Dr. Karen Haberberger

Welcome to the New School Year, Johnsonburg Family!

As Superintendent of the Johnsonburg Area School District, it is my absolute privilege to welcome our students, families, educators, staff, and community members to the start of another school year! There is a distinct, energized momentum in the air each fall, and I couldn't be more excited for what lies ahead.

This year, we are proud to support two familiar leaders in exciting new roles. Dr. Ray Kelly, our former high school principal, is stepping into the leadership role as Principal of Johnsonburg Elementary School. Joining him in our administrative team, Ms. Rachelle Kastner, our former high school counselor, is stepping up as Principal of Johnsonburg High School. Please join me in wishing Dr. Kelly and Ms. Kastner the absolute best as they guide our schools into this next chapter!

Johnsonburg is more than just a school district—it's a tight-knit community built on a shared commitment to our youth. As we open our doors, our priority remains clear: delivering a dynamic, high-quality education while prioritizing academic excellence, mental health awareness, and strong

community connections.

We are constantly looking for new ways to expand horizons and prepare our students for the future. To that end, we are continuing to grow our dual enrollment offerings to give students a head start on college credit. Additionally, we are thrilled to launch a new Emergency Medical Technician (EMT) course this year in partnership with Bender Safety, offering hands-on, real-world career training right in our school.

Our students thrive when home, school, and community work in harmony. We invite you to be an active part of our school environment throughout the year by attending upcoming Open Houses, participating in informative Parent Workshops, and getting involved with our Elementary PTCO. Your voice, feedback, and presence are vital to making our district the best it can be.

The dedication of our teachers and support staff is what makes the Johnsonburg Area School District truly special. Together, as one communi-

ty, we are ready to tackle challenges, celebrate achievements, and inspire every student to reach their full potential.

Thank you for your continued trust, partnership, and enthusiasm. I cannot wait to hear the halls filled with laughter and learning once again. Let's make this an extraordinary year!

Warm regards, Dr. Karen Haberberger

Greetings!

I hope you had a restful and rejuvenating summer. As we prepare to welcome the 2026–2027 school year, I'm excited for another year of growth, learning, and new opportunities. We look forward to welcoming our students back and filling our classrooms and hallways with their energy and enthusiasm.

It is a privilege to continue serving the Johnsonburg Area School District community. As Special Education Supervisor, I remain dedicated to supporting every student's academic, social, and emotional growth. As education continues to evolve,

we are committed to providing students with the knowledge, skills, and confidence they need to thrive in an ever-changing world.

Together, we will remain focused on supporting each child's growth, ensuring they are prepared not only for academic success but also to become confident, compassionate, and capable individuals. If you have any questions, concerns, or need assistance regarding your child's education, please don't hesitate to reach out. I am always happy to help.

Go RAMS!

High School Principal: Ms. Rachelle Kastner

Dear Students and Families,

Welcome to a new school year! I hope you had a wonderful summer filled with time to relax, recharge, and make lasting memories.

I am incredibly honored and excited to begin this school year as your new high school principal. Having served as the school counselor, I have had the privilege of getting to know so many of our students and families over the years. Those relationships have been one of the greatest joys of my career, and I am grateful for the opportunity to continue supporting our school community in this new role.

As we begin this school year together, I remain committed to ensuring that every student feels seen, valued, and supported. My goal is to foster a school culture where students feel safe to learn, encouraged to grow, and inspired to reach their fullest potential. Together, we will continue to build an environment rooted in respect, responsibility, kindness, and high expectations.

I have always believed that the strongest schools are built on meaningful relationships and open communication. Parents and guardians, thank you for the trust you place in our school each day. I encourage you to stay connected, attend school events, and partner with us throughout the year. Your involvement

plays an important role in the success of our students.

To our students, I encourage you to make the most of every opportunity this year. Challenge yourself academically, become involved in extracurricular activities, support your classmates, and take pride in being a part of our school community. Whether I have known you for years or am just getting to know you, I look forward to celebrating your accomplishments and helping you achieve your goals.

Although my role has changed, my commitment to our students has not. I am excited to continue working alongside our outstanding teachers, staff, families, and community to ensure that every student has the opportunity to succeed.

Thank you for your continued support as we begin this exciting new chapter together. I look forward to an amazing school year and all that we will accomplish as a school community. Have a wonderful start to the school year!

Rachelle Kastner
JAHS Principal

High School Guidance: Ms. Kaelynn Kuhar

Hello Students and Families,

Welcome to a new school year! I am excited to begin my professional journey at Johnsonburg Area High School and become a part of the Ram Family.

My name is Ms. Kaelynn Kuhar, and I am honored to serve as your school counselor. I look forward to getting to know each of you and supporting our students throughout the year. My role is to help students succeed academically, socially, emotionally, and in planning for their future careers. Whether you're setting goals, working through challenges, exploring post-secondary options, or simply need someone to talk to, my door is always open.

The counseling program at Johnsonburg Area High School is designed to support the growth and well-being of every student by helping them develop the knowledge, skills, and confidence needed to make positive decisions both in and out of the classroom. We also collaborate with several voluntary support programs, including the Student Assistance Program (SAP), to help identify and address barriers that may impact a student's learning, well-being, or overall success. Family involvement is an important part of this process, and I encourage parents and guardians to partner with us whenever support is needed.

My office is a safe, welcoming space where every student is valued and respected. Whether you need a quiet place to regroup, someone to listen, or guidance through a difficult situation, I am here to help. Parents and guardians are always welcome to contact me with any questions or concerns. By working together, we can help ensure every student has a successful, positive, and rewarding school year.

I look forward to meeting you all and making this an incredible year.

GO RAMS!

Ms. Kuhar

Elementary Principal: Mr. Raymond Kelly

Dear Johnsonburg Area Elementary School Families:

I am honored and excited to assume the role of principal of Johnsonburg Area Elementary School beginning August 1. Having previously served as the principal at Johnsonburg Area High School, I look forward to bringing my experience, dedication, and commitment to the elementary school community.

I recognize that I have a tremendous legacy to follow upon the retirement of Mrs. Allegretto. Her years of dedicated service, leadership, and commitment to the students and families of Johnsonburg Area School District have made a lasting impact. I have great respect for the foundation she has helped build and look forward to honoring that work while continuing to move our school forward.

As we prepare for the upcoming school year, the well-being and success of our students will remain at the center of every decision we make. Elementary school is where students develop the academic foundations, relationships, confidence, and habits that shape future success. Our responsibility is to provide an environment in which every child feels safe, supported, valued, and challenged to grow.

Building strong relationships with students and families will be one of my highest priorities. I believe children are most successful when

schools and families work together through open, respectful, and consistent communication. I encourage parents and guardians to reach out with questions, concerns, or information that will help us better support their children.

We will also remain focused on high academic expectations, student safety, positive behavior, regular attendance, and a welcoming school climate. Our faculty and staff share a commitment to helping every student grow academically, socially, and emotionally while developing the skills and confidence needed for future success.

My goals are to listen, learn, communicate clearly, and lead with consistency and a strong focus on students. I look forward to spending time in classrooms, connecting with students and staff, meeting families, and building strong relationships.

I am grateful for the opportunity to serve and lead this school community. I look forward to working together to provide our students with a positive, productive, and successful school year.

Sincerely,
Dr. Raymond Kelly
Principal, Johnsonburg Area Elementary School

Elementary Guidance: Mrs. Krista Hoffman

Hello, Johnsonburg Elementary families!

Welcome to another exciting school year! My name is Krista Hoffman, and I am honored to begin my fourth year as the Elementary School Counselor. It has been a privilege to build relationships with our students, families, and staff, and I look forward to another year of helping our students grow academically, socially, and emotionally.

This year, I am excited to introduce several new initiatives, including small counseling groups designed to provide students with additional support in areas such as friendship skills, emotional regulation, self-confidence, coping strategies, personal hygiene, and problem-solving. These groups will provide students with opportunities to learn, practice, and strengthen important life

skills in a positive and supportive environment.

Another important focus this year will be continuing our efforts to improve student attendance. Regular school attendance plays a vital role in academic success, social development, and building positive routines. We will continue promoting attendance through fun school-wide activities, classroom incentives, and recognition programs that encourage students to be present and engaged each day. Together, we can help every student make the most of every learning opportunity.

Throughout the year, I will continue providing classroom guidance lessons that focus on social-emotional learning, character education, kindness, responsibility, respect, and making positive choices. I also work closely with teachers, administrators, and families to ensure every child

feels safe, supported, and connected at school.

I believe that a strong partnership between home and school is one of the greatest contributors to student success. Please know that I am always available to answer questions, provide resources, or support your child in any way I can.

I am looking forward to another wonderful year of learning, growing, and celebrating the successes of our students. Thank you for your continued partnership and support. Together, we can make this school year a positive and rewarding experience for every child.

Warmly, Krista Hoffman, Elementary School Counselor

Athletic Director: Mrs. Gina Schreiber

Welcome Back, Johnsonburg Rams & Rammettes!

A new school year is here, bringing with it a fresh start, new opportunities, and countless possibilities. Whether you're returning to familiar routines or beginning a brand-new chapter, we're excited to welcome each and every one of you back to Johnsonburg Area School District.

Every school year offers a chance to grow—not only academically, but also as leaders, teammates, classmates, and members of our community. No matter where your passions take you—in the classroom, on the field, on the court, on the mat, on the stage, or on the track—remember that your character is just as important as your accomplishments.

Challenge yourself to embrace every opportunity with a positive attitude, a strong work ethic, and a willingness to learn. Success isn't measured only by wins, grades, or awards—it's found in the effort you give, the respect you show others, and the perseverance you demonstrate when faced with challenges.

Let's make this a school year where we lift

one another up, celebrate each other's successes, and represent Johnsonburg with pride, integrity, and sportsmanship. Every day is another opportunity to become the best version of yourself.

We're looking forward to an incredible year filled with learning, growth, and unforgettable memories.

Have an amazing school year... and as always—Let's Go, Rams & Rammettes!

Warm wishes,

Mrs. Gina Schreiber

Athletic Director

District Athletic Mission

The Johnsonburg Area School District reinforces that athletics are a significant extension of educational programs where student-athletes develop both basic and life skills along with morals and values, develop character, self-discipline, and practice positive sportsmanship!

School Board President: Mrs. Sarah Grunthaner

On behalf of the Johnsonburg Area School District Board of Directors, I would like to welcome you to the 2026-2027 school year. The Board of Directors are nine elected members of your community who work with your superintendent Dr. Karen Haberberger, to ensure everyone within our district receives a quality education and opportunities to grow socially, academically, and athletically.

This year we are welcoming some familiar faces in new roles within our district, and we are excited to see them help our district grow and change in new ways. Dr. Ray Kelly, as the elementary principal and Ms. Rachelle Kastner, as the high school principal. Congratulations to you both.

Our district has wonderful teachers, administrators, and staff who care

about the students, support them, and want to see them succeed. We as a board also want to see the students succeed, so we dedicate our time to focusing on what is best for the education of our students as well as the safety of students, faculty, and staff which is a top priority.

Policies are adopted and changed often to keep up with the ever-changing world, budgets and expenditures are approved to keep our district updated to ensure the future for our students who will continue to call JASD their Alma Mater. We support our students, faculty, and staff, by making hard decisions and continuing to offer new and exciting programs.

I want to thank our teachers, administrators, and staff for continuing to provide an environment that is welcoming and safe for our students helping them

continue to learn and grow. I look forward to another great year here at JASD.

Sincerely,

Sarah L. Grunthaner

School Board President
