Partnering for Student Success

Conemaugh Township is proud to announce its exciting partnership with the Community Foundation for the Alleghenies, aimed at enhancing educational opportunities for our students. This collaboration allows alumni, proud supporters, and local businesses to make a meaningful impact through tax-deductible donations.

Types of Donations

- Trusts: Set up long-term support through established trusts that ensure sustained funding for our programs.
- Annual Donations: Contribute each year to help maintain and expand our educational offerings.
- Single Donations: Make a one-time gift to support CT Foundation projects and areas of need.

Where Generosity Makes a Difference

Generous donations to the Conemaugh Township Area School District Foundation have opened doors and expanded opportunities for students throughout the district. Past contributions have provided scholarships that help students pursue their dreams beyond graduation, supported enriching field trips that bring learning to life, and supplied uniforms for band members and student-athletes who proudly represent their school. Donations have also enhanced classroom technology, strengthened robotics and STEM programs, and supported the arts—nurturing creativity, innovation, and self-expression.

Flexible Donation Options

The CT Foundation advisory Committee shall earmark the designation of donations per identified needs of the district. This ensures that contributions can address immediate challenges and help grow our programs for the future.

CT Foundation

The Conemaugh Township Area School District Foundation (CT Foundation) exists to turn community generosity into meaningful opportunities for students and staff of the Conemaugh Township Area School District. Through the support of donors, the CT Foundation develops, promotes, and finances educational programs, scholarships, innovative projects, and extracurricular activities that enrich learning and expand student success. Established through careful planning beginning in 2012, the CT Foundation is guided by a volunteer advisory committee that meets regularly to ensure responsible leadership and thoughtful use of resources. All CT Foundation assets are held and managed by the Community Foundation for the Alleghenies, a 501(c)(3) organization, providing donors with tax-deductible giving, financial oversight, and required legal reporting. Together, your support helps strengthen our schools, invest in our students, and build a brighter future for our community. Additional information and bylaws are available at ctasd.org.
