5 WAYS CAVIT CAN SHAPE YOUR CHILD'S FUTURE

1. Tuition-Free Career Training Programs
2. Hands-On Job Skills
3. Industry Certifications/ Licensures
4. Work-Based Learning
5. Dual Enrollment College Credit

Welcome From CAVIT Superintendent Mr. Mike Glover

ARE YOU READY?

Dear Parents and Guardians,

Your student will soon have the chance to apply for admission to our career and technical school in Coolidge for the 2027-2028 school year.

Between now and then, there will be many conversations and decisions that you will want to explore together. Now is the time to begin mapping your child's course to become career and college-ready.

As a partner with your child's high school, CAVIT would like to provide you with the information to get those talks started. We work closely with administrators, counselors, and other caring adults who want your child to succeed just as much as you do. We hope this information is useful to you and serves as a beginning to help you navigate through this exciting time in your child's education.

Sincerely,
Mr. Mike Glover
CAVIT Superintendent
