NARRATIVE (Required)

The one-page narrative must include the name of the individual, the district in which they are employed, and evidence to support their candidacy as described in the award notice. The Recognition Committee strongly recommends the use of quotes from individuals the person has impacted (students, parents, colleagues, administrators, school board members, etc.) so they may better understand the candidate's positive and continuous impact in their rural school district.

Applications are due to Dr. Ed Albert, Executive Director at edalbert@parss.org no later than FEBRUARY 1st. The Recognition Committee will review all applications and make a recommendation to the PARSS Board of Directors before February 15. Please submit this nomination form and attached narrative for consideration by the committee.
