

SUPERINTENDENT - Mount Union Area School District

Position available: Immediately; enrollment approximately **1,100** students.

The Mount Union Area School District is a rural and suburban, academically progressive school district, based in Mount Union, Pennsylvania. The district serves students in portions of Huntingdon and Mifflin Counties.

The successful Superintendent candidate should possess the following key attributes:

- Utilize district data to promote an aggressive change agenda.
- Excellent communication skills, and a proven ability to work with local community members to advance an academic agenda.
- Strong technology skills, including knowledge of implementing technology programs in schools.
- A strong knowledge of teacher and administrative assessments, including the ability to serve as a professional development trainer for district initiatives.
- Proven experience in leading high quality administrative and faculty teams.
- A strong budget and finance background.
- Have an aptitude for working in a culturally diverse community with a wide range of socioeconomic levels.
- Lead, manage, and coach district leaders; demonstrate leadership skills that have motivated others to assume leadership roles.
- Drive organizational excellence through a demonstrated record of improving academic performance and instructional leadership.
- Oversee the development and implementation of the district's budget, aligned with system wide goals and major initiatives.
- Salary range \$120,000 to \$135,000 based on education and experience.

Superintendent Letter of Eligibility and administrative experience required. Interested candidates who email their cover letter and resume to Dr. Shawn L. Kovac, Executive Director, Tuscarora Intermediate Unit, skovac@tiu11.org, will receive instructions for submitting an application, clearances, and other required documentation.

Superintendent search updates can be found at: <https://www.tiu11.org/superintendent-search/>

Application Packet submission deadline to ensure inclusion in the screening process is **Noon, Friday, January 2, 2026.** EOE
