

Buzzy Bees 1 & 2

April 2026 Newsletter

Dear Parents,

Spring has sprung, and the Buzzy Bees have planted flower seeds in the garden! With a little luck and faith, we will see beautiful flowers a few months from now. Speaking of luck, Saint Patrick's Day was giggly fun with a special visit from Miss Molly, and the children found golden coins and treats left behind by a leprechaun in our hallway!

This month we will be traveling to Poland! Our themes are Insects, Earth Day, and May Crowning. Our letters of study are V, W, & X, along with number review. We are excited to also learn about the life cycle of the butterfly! All classes will experience firsthand having butterfly chrysalises in their classrooms. Once our butterflies have come out of their chrysalis, we will release them into our garden.

Kindness Gotchas for the month of March; Thank you to my whole class (BB2) for really working hard on encouraging each other! This makes my heart happy. (:

Spring Blessings,

Ms. Fitts & Mrs. Sebring

Important Dates to Remember:

4/2 HALF DAY; 11:55 p/up

4/3 – 4/10 Easter Break

4/17 HALF DAY; 11:55 p/up

5/1 May Crowning; HALF DAY; 11:55 p/up
