December Newsletter 2025

Dear Parents,

I hope all of you enjoyed the time off with your family, we sure did! I think sometimes we forget that we all need time off, even teachers. We all have families who love us and want to spend time with us. Time off replenishes our souls and gives us a renewed sense of purpose. With that being said, we are always ready and excited to be back in the classroom with your wonderful children!

Christmas is just around the corner, and your children will be busy readying themselves for our annual Christmas program on December 19th. This month goes by quickly, but always remember to find those little snippets of time that bring you peace and happiness. This month your children will be learning about Advent, Las Posadas, Christmas, and the importance of family. Our Core Value this month is Love, which is so fitting during this time of year. In between practicing for our Christmas program, making special Christmas projects, and Christmas crafts, we will be reviewing what we have learned thus far. Your children are doing an amazing job!

Kindness gotcha for the month of November: Thank you Enzo and Abby for always helping extra with clean up on our playground. Thank you friends!

Parents please remember to send a jacket with your child; it is getting colder now in the mornings and evenings.

Mrs. Sebring and I would like to take a moment and wish all of our families a Merry Christmas and a Happy New Year! Love your families, snuggle in close and remember we are all so blessed! *And if you are able, share the LOVE and donate a toy to our annual toy drive.

Christmas Blessings, Peace, and Love,

Ms. Fitts & Mrs. Sebring
