

Sunflower Newsletter

Dear Sunflower Parents,

This month is filled with exciting activities starting with our 100th day of school, making valentines for our Senior friends, learning about the season of Lent and all of our amazing community helpers.

Our conferences will start on February 9th - 13th. We will celebrate Valentines day on Friday 13th, and we will begin our Sharing Days on Fridays. We ask that you bring in something theme related or something small, any questions, please ask.

Blessings,
Mrs McDowell & Mrs Mahler
