

Buzzy Bees 1 & 2

May 2026 Newsletter

Dear Parents,

The flower seeds we planted in March have sprouted up! The children look forward to our garden days to see the change in growth and to tend to our garden. In April we also released our butterflies as well. Some butterflies floated up and away and others stayed with us a bit as we watched with excitement. This is how Mrs. Sebring and I feel watching the children work their way to becoming Kindergartners. We are so excited for them!

This month we will be traveling to Mexico! Our themes are May Crowning, Mother's Day, Butterfly Lifecycle, Zoo, & Father's Day. Our letters of study are Y & Z. In Math we will introduce the ruler and how it is used. The month of May will be very busy as we wrap up the school year.

May is all about gratitude and thanks. The Buzzy Bee teachers would also like to say a big thank you to our families who took on the Nazareth Night auction projects! We all lead very busy lives, and it takes someone special to make time for extra work. Thank you to the Zebian family and the Schulte family!

Kindness gotcha for the month of April: Both Buzzy Bee classes would like to thank Mrs. Mahler for all of her help and **kindness** in our classrooms this year...thank you Mrs. Mahler!

Blessings and gratitude,

Mrs. Fitts & Mrs. Sebring

Important Dates to Remember:

5/1 May Crowning @ 10 am in the garden; HALF DAY; 11:55 p/up

5/25 NO SCHOOL; Memorial Day

5/29 HALF DAY; 11:55 p/up
