A Message from Superintendent Mrs. Wheeler

Dear Beaver Creek Families,
As we step into this special time of year, there is so much to celebrate at Beaver Creek. Our basketball teams are off to a strong start, the middle school is gearing up for its winter dance, and our winter concert is just around the corner. Classrooms across campus are buzzing with engaging projects, hands-on learning, and plenty of joyful moments. It has been a pleasure visiting rooms and seeing the incredible teaching and learning happening each day.

With the darker mornings upon us, this is a good time to remind everyone about the importance of arriving to school on time. Students are considered late after 7:45, and we have noticed an increase in tardy slips. After three tardies, a student may receive a Level One. Arriving on time helps ensure students don't miss valuable instruction or the fun activities happening first thing in the morning.

We are looking forward to a truly magical month of December and all the experiences it brings to our Beaver Creek community!

Mrs. Wheeler

DEAR INTERESTED SUPPORTER OF BEAVER CREEK SCHOOL

Thank you for considering contributing to the success of public education in Arizona through the Arizona State Tax Credit Program. The generosity of individuals such as yourself allows us to enhance programs and offer greater opportunities to our students.

A tax credit is different from a deduction in that it is taken directly off your tax liability rather than being subtracted prior to the computation of your tax liability.

A tax credit is only available to an individual...not a business. Please do not send company checks or cash. There are several ways to get this credit:

-A married couple filing jointly is eligible for a maximum credit of \$400.

-Single individuals filing separate returns are eligible for a maximum of a \$200 tax credit.

-Those married, but filing separately, may have a combined total of \$250.

To be eligible for a state tax credit in 2025, your contribution may be received or post-marked as late as April 15, 2026. Remember you do not need to have a child enrolled in a school to take advantage of this credit.

Please call if you have any questions, or see your tax consultant for further information. In order to qualify for an Arizona Tax Credit, please complete the information to the right, together with your contribution.

Upon receipt of your payment and tax credit request, a receipt will be issued and mailed to you. Don't hesitate to call us if you need any further information regarding this matter. We look forward to hearing from you.

Please know we are fiscally responsible with your contributions. You may find the annual expenditures on our BCS website:
