### A Message From the Superintendent

Happy New Year and Welcome back! I hope everyone had a rested break filled with a lot of family time. At the school, maintenance and custodial was busy making sure all the classrooms were cleaned and sanitized and campus projects are always underway. Our office staff were busy printing report cards and getting everything ready for the next quarter.

A few reminders as we get to start fresh in a new year and a new semester. Attendance affects your child's academic performance. It is important that your student is in school everyday and ON TIME!

Not only does it affect academic performance it also affects our school letter grade. 10% of the school year is 14 days, after that students will be considered for retention and will have a referral to probation for attendance. We do not want to do either of these things, we understand the importance of your student being in their seat and learning each day. If you have any questions please reach out to our attendance office or myself.

We are excited to work through this spring semester while we await the sun returning and warmer weather! We have a few plays that classes will attend and high school campus tours begin for 8th grade! So much excitement! We look forward to every minute!

 Mrs. Wheeler

**DEAR INTERESTED  
SUPPORTER OF  
BEAVER CREEK  
SCHOOL**

Thank you for considering contributing to the success of public education in Arizona through the Arizona State Tax Credit Program. The generosity of individuals such as yourself allows us to enhance programs and offer greater opportunities to our students.

A tax credit is different from a deduction in that it is taken directly off your tax liability rather than being subtracted prior to the computation of your tax liability.

A tax credit is only available to an individual...not a business. Please do not send company checks or cash. There are several ways to get this credit:

- A married couple filing jointly is eligible for a maximum credit of \$400.
- Single individuals filing separate returns are eligible for a maximum of a \$200 tax credit.
- Those married, but filing separately, may have a combined total of \$250.

To be eligible for a state tax credit in 2025, your contribution may be received or post-marked as late as April 15, 2026. Remember you do not need to have a child enrolled in a school to take advantage of this credit.

Please call if you have any questions, or see your tax consultant for further information. In order to qualify for an Arizona Tax Credit, please complete the information to the right, together with your contribution.

Upon receipt of your payment and tax credit request, a receipt will be issued and mailed to you. Don't hesitate to call us if you need any further information regarding this matter. We look forward to hearing from you.

Please know we are fiscally responsible with your contributions. You may find the annual expenditures on our BCS website:

Allie Wheeler, Superintendent/Principal
