

Beaver Creek School 2026

Thanksgiving Break
November 25-27
District & School
offices will be closed
November 26 & 27

There will be no school on Wednesday, November 11 in Observance of Veterans Day

A note from Superintendent Wheeler

November is here, bringing with it a whirlwind of gratitude, reflection, and some cooler weather—finally! A big thank you to all the families who joined us for Walk to School Day last month. We had such an amazing turnout! And our Fall Festival was a huge success, thanks to our incredible staff, students, and families. We're so grateful for each and every one of you! This month, we also take time to honor our Veterans. Thank you for your service and sacrifice. Our Kindergarten class will share a special presentation at the flag assembly on November 5, and families are always welcome to join us.

With Thanksgiving right around the corner, it's the perfect time to slow down, gather with loved ones, and count our blessings (and maybe loosen those belts a notch!). We're also gearing up for our Holiday Assistance Program to help families in need during this season of giving. The application is included in this newsletter and is due back by November 10. Please turn it in to the office so we can connect with our amazing community partners. Thank you for your ongoing support of our students, staff, and school. Wishing you all a warm, joyful, and gratitude-filled November!

We are grateful for all our wonderful families!

Basketball Games

11/16: Boys @ MVP & Girls @ Home vs MVP 4:00 & 5:00

11/23: Boys @ DDB & Girls @ Home vs DDB 4:00 & 5:00

Upcoming COMMUNITY EVENTS

Beaver Creek School sets aside one minute of silence every morning following the Pledge of Allegiance.

November News

Nov. 5: Flag Assembly 7:50 AM

Nov. 12: End of Midterm 2

Nov. 25 - 27: Thanksgiving Break no school

Nov. 26 - 27: District & School offices will be closed

Beaver Creek School works in partnership with community organizations, local residents and businesses to help our families in need have a happy holiday season. Our community organizations work closely to coordinate the needs of families requesting assistance. If you are in need of assistance for the purchase of Christmas gifts and food, fill out the attached form with all of the required information.

Please have the form back to the school no later than Tuesday, November 10, 2026.

Please remember if a student is absent from school, he or she may not attend any after school extracurricular activity on that day. This includes athletic events, practices and/or dances.

Reminder: Students on campus during a sanctioned activity must be supervised. All registered students of Beaver Creek School must leave campus via parent-approved transportation. Staying on school grounds afterschool is not allowed because it is the school's responsibility to make sure students get home safely. If a child returns to the ball field or playground after school hours, it is not a school sanctioned activity and there will be no supervision. The public restrooms will also be closed.

When students return for after-school extracurricular activities, parents need to be aware that the public accessed playground (school grounds) and ball fields are unsupervised. If the student is on the school campus, he or she will be expected to stay in the gym or designated area of activity. If not in compliance, students will be subject to disciplinary action.

These students are NOT supervised and this does not follow school procedures. Only the ball field and playground outside the fenced area are open to the public. Any student found wandering around campus will be subject to disciplinary action. Any student not leaving campus as per directive from parent on where to transport will be subject to disciplinary action.

THE REAL FOOD GUIDE TO SCHOOL BREAKFAST FOR FAMILIES

School meals include whole, healthy foods that give kids the right balance of nutrients, while reducing added sugars and sodium.

Fruits

A full cup of fruit is available every day, providing nutrients that are important for kids' health, such as potassium, dietary fiber, vitamin C, and folate.

Milk

Kids and teens need the calcium, protein, and vitamin D found in milk for strong bones, teeth, and muscles.

Grains

Starting every day with whole grains gives kids and teens B vitamins, minerals, and fiber to feel fuller longer so they stay alert to concentrate at school.

Protein Foods

Some breakfast menus may offer items such as eggs, yogurt, meat, or beans. Protein foods give kids and teens many nutrients including iron, B vitamins, zinc, and magnesium.

Vegetables

Schools may offer vegetables in place of or alongside fruits to provide a variety of nutrients, textures, and flavors that children and teens enjoy.

Visit **fna.usda.gov/teamnutrition** for additional tips and activities.

TEAM

HOW DOES SCHOOL BREAKFAST Help Families?

Fuels learning

Kids and teens can concentrate on their schoolwork better when they're not hungry. Studies show that kids do better in school when they eat breakfast.

Boosts nutrition

Studies show that kids and teens who regularly eat breakfast have higher intakes of dietary fiber, B vitamins, calcium, iron, and other nutrients and healthier growth.

Saves time

School breakfast can simplify mornings for families by offering kids and teens healthy options that fit into their schedule.

How can families help their child eat a healthy breakfast?

1. Read the menu with your child to make sure your student knows about all the foods that are included in their school breakfast.
2. Find out how your parent organization can work with school nutrition professionals to promote breakfast options at your school, such as Breakfast in the Classroom and Grab & Go Breakfast.
3. Get involved in your school wellness initiatives and learn more at **fna.usda.gov/tn/wellness-policy**.

The Dietary Guidelines offer recommendations for healthy eating and serve as the foundation for federal nutrition programs and policies, including school meal programs. You can explore the 2025–2030 Dietary Guidelines at **RealFood.gov**.

The School Breakfast Program (SBP) is a federally assisted meal program operating in public and nonprofit private schools—including charter schools—and residential child care institutions. The SBP started in 1966 as a pilot project and was made a permanent program by Congress in 1975.
