

Procedure © 3-109.D Procurement - Construction Procurement

Expenditures for the procurement of construction, materials and services shall comply with the [Arizona Constitution](#), [A.R.S. § 38-501](#) *et seq.*, [A.R.S. § 15-213](#) *et seq.*, the State Board of Education's procurement code for school districts, and the Auditor General's Uniform System of Financial Records (USFR).

Construction is defined as physical changes to land or buildings that materially alter the previous structure or physical condition, including fixed physical additions to land such as concrete, fencing, structural remodeling, major renovations that are not merely maintenance in nature, and major demolitions. All such construction shall be identified, and the estimated aggregate total cost of goods and services for the project shall be made before undertaking the project. This estimated total cost shall determine which procurement methods shall be used.
