

Dear Families,

We are committed to providing a high-quality preschool experience that nurtures your child's growth and development. As the costs to run our program continue to rise, we have carefully reviewed expenses and researched similar programs in the area. Based on this, the Beaver Creek Governing Board approved the increase on May 12, 2026 adjustments to our preschool program structure and tuition..

Beginning this upcoming school year, August of 2026, our preschool program will run from 8:30 a.m. to 11:30 a.m. and will include breakfast each day as part of our highly qualified early childhood program. The monthly tuition for preschool will be \$196 a month.

We will also offer an optional aftercare program from 11:30 a.m. to 3:00 p.m. for families needing extended care. Aftercare will be available at a rate of \$14 per day and will include lunch.

Our preschool program is led by a highly qualified early childhood teacher and supported by a dedicated staff who are passionate about creating a safe, engaging, and nurturing learning environment. In addition to a Quality First approved curriculum and high-quality educational experience, your child will receive nutritious meals and meaningful learning opportunities each day.

We understand that changes in tuition and program structure can be challenging for families. We are actively working toward becoming DES-certified, which may open opportunities for financial assistance. Additionally, we have a community partner L.I.S.A., and we hope to offer scholarships on a needs basis in the future.

Thank you for your continued trust and partnership. If you have any questions or would like to discuss these changes further, please feel free to reach out to us.

Sincerely,

Mrs. Allie Wheeler

Supintendent-Principal

Beaver Creek School
